### Legal Citation: M.L. 2014, Chp. 226, Sec. 2, Subd. 10a

**Appropriation Language:**

$135,000 the second year is from the trust fund to the commissioner of natural resources at the direction of the Legislative-Citizen Commission on Minnesota Resources for expenses incurred for contract agreement reimbursement for the agreements specified in this section. The commissioner shall provide documentation to the Legislative-Citizen Commission on Minnesota Resources on the expenditure of these funds.
I. **PROJECT TITLE:** Contract Management

II. **PROJECT STATEMENT:**
This appropriation will be used to provide continued contract management services to pass-through recipients of Environment and Natural Resource Trust Fund dollars appropriated to the commissioner of natural resources. DNR provides this fiduciary service to ensure funds are expended in compliance with state law, session law, and approved work plans. The goal of the DNR Grants Unit is to provide grantees with one consistent point of contact for their agreements and excellent customer service.

Contract management ensures oversight of reimbursement for project deliverables and meets the requirements of the Department of Administration’s Grants Management procedures as well as the recommendations of the Legislative Auditor. It aids recipients with financial compliance and ensures project consistency with appropriation law, state statute, grants policies and approved work plans.

III. **PROJECT STATUS UPDATES:**

The DNR Grants Unit’s professional services rate has been reviewed and set at $59.00 for FY16. This is an increase from our FY15 rate of $59.

*Project Status as of January 31, 2015: From July 2014 through December 2014, DNR billed $44,685 from the M.L. 2014 appropriation for contract management services (ENRTF only). Contract management services were billed at the FY15 professional services rate of $56.94/hour. There is now $90,315 remaining in the M.L. 2014 appropriation. Please see the attached financial report.*

*Project Status as of July 31, 2015: From January 2015 through June 2015, DNR billed 835 hours for a total of $47,524 from the M.L. 2014 appropriation for ENRTF contract management services. Contract management services were billed at the FY15 professional services rate of $56.94/hour. There is now $42,791 remaining in the M.L. 2014 appropriation. Please see the attached financial report.*

*Amendment Request (07/24/15):*
The DNR Grants Unit’s professional services rate is reviewed annually and has been set at $59.00 for FY16. This is a $2.06 increase from our FY15 rate of $56.94. This increase is necessary due to required staff salary increases and prior year estimated other related costs being previously under-reported. The actual costs for our unit are now reflected in the rate, as detailed in the Activity section.

*Project Status as of January 31, 2016: From July 2015 through December 2015, DNR billed 720 hours $42,791 from the M.L. 2014 appropriation for contract management services (ENRTF only). Contract management services were billed at the FY16 professional services rate of $59.00/hour. There is now $0.00 remaining in the M.L. 2014 appropriation.*

*Project Status as of August 15, 2016: From January 2016 to June 2016, the DNR billed no work hours to the M.L. 14 Contract Management project.*
